Mecklenburg County Board of Elections

Minutes for May 2, 2018

Meeting opened by Vice Chairman Jeanne Capello

Certification of Towns of Mecklenburg County elections

Entertained Board members from Richmond as a teaching opportunity on election result collection.

Motion made and approved for Registrar Jason Corwin to scan all copies of the registered voters of Mecklenburg County, and make the scanned copy the official copy.

Information received from VFW in Chase City that they would no longer be active therefore the Board would need to find a new polling place to hold the elections. It has been approved by the board for Jason to research for another venue with the approval of the board of Supervisors.

Discussion of new laws not yet passed but on the books regarding absentee voting:

Permission to vote after 65 without a reason

No excuse voting for all

Early voting

If these pass the board would need to hire another person to man the absentee voting precinct.

Meeting adjourned.

Submitted by secretary,

Margaret R. Marcenelle
